in all public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: **2031**

PLAINFIELD HARVEST 5K Plainfield, IL

Measured on July 2, 2021 by Eric Arndt (Eric@ItsRaceTime.com)

This course measured using the full width of the road and the Shortest Possible Route (SPR)

USATF Certificate

IL21016NM

Effective: 07/06/2021

Through: 12/31/2031

Start/Finish: On Ottawa Street, the east most edge of the round sewer cover located on the north side of Ottawa Street, just west of Fox River Street.

Mile 1: On Fort Beggs Drive, located 24 feet west of the western edge of the crosswalk leading from Plainfield Central High School to the eastern terminus of the sidewalk accessing the Plainfield Central High School parking lot. Also 9 feet east of the Lisa Klaas Dedication Plaque found in the grass on the North Side of Fort Beggs Drive.

Parking Lot Turn Points: Each right turn point is located 12 feet south of the fourth and last double row of parking, measured from the southernmost and outside most corner of the striped box.

Mile 2: On South River Court, located 20 feet south of the southernmost edge of the driveway of the house located on the corner of River Road and South River Court. For clarity, since South River Court is a circle drive, Mile 2 is located just prior to the right turn back onto River Road.

Mile 3: On James Street, located 10 feet north of the northern edge of the rectangular sewer drain located on the east side of James Street, found south of Ottawa Street, across from house 15218.
