Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: **2031**

AS NATIONALLY CERTIFIED BY:

Date: September 7, 2021

Ardmore Road 1,000-Foot Calibration Course

Ardmore Road, Worcester, MA

Point X is in front of the driveway for 3a Ardmore Road, just south of the intersection with Hancock Hill Drive, and 14 feet south of Lamppost #7 between 3a and 3b, or 58 feet 8 inches south of the edge of the storm drain grate in front of 3b.

Point Y is the edge of the storm drain curb, 11 inches south of the storm drain grate, where the granite curb ends at the north edge of the driveway for 21 Ardmore Road.

All points are marked with large metal washers nailed to the pavement.
