in all public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: **2032**

Minnetonka Drive In Calibration Course

Spring Park, MN

USATF Certificate

MN22001JHP
Effective: 02/06/2022
Through: 12/31/2032

This course is entirely on the Dakota Rail Trail. The measurement was taken in a straight line from start to finish.

Start – Next to the Mile Marker 7 sign on the south side of the Dakota Rail Trail. A PK nail was driven into the pavement 6 inches from the south edge of the trail next to the center of the Mile Marker 7 sign.

Course – Travel in a straight line 323.45 meters east from the **Start** to the west edge of the white line before Kings Road and West Arm Road. A PK nail was driven into the pavement 6 inches from the south edge of the trail on the west edge of the white line.

● PK nail driven at path edge

● Mile Marker 7 sign
