

# College Street

Altoona, AL

## 300 m Calibration Course

Both ends are marked with a pk nail and washer.  
Course runs roughly parallel to north edge of road.

USATF Certificate AL14033JD

Effective 04/15/2014 to 12/31/2024

Locational information is given to find the endpoints only, not to replace lost endpoints. Should an endpoint be lost to paving or other cause, the course needs to be remeasured.

Notice to Race Director: Use this Certification Code in *all* public announcements relating to your race.

***Be It Officially Noted That***

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

**Verification of Course** — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

***This certification expires on December 31 in the year*** **2024**
