

# UA Campus Drive II

## Tuscaloosa, AL

### 300 m Calibration Course

Both ends are marked with a pk nail and washer.

Course runs parallel to curb within bike lane on the south side of the road.

Southwest end point is 13 feet east of the metal lamp post, and 31 inches from the curb. (N33 12.795 W087 32.081)

Northeast end point is 43 feet 8 inches west of the metal lamp post, and 33 inches from the curb. (N33 12.856 W087 31.897)

USATF Certificate AL 16031JD  
Effective 10/25/2016 to 12/31/2026

Locational information is given to find the endpoints only, not to replace lost endpoints. Should an endpoint be lost to paving or other cause, the course will be remeasured.

***Be It Officially Noted That***

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

**Verification of Course** — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

***This certification expires on December 31 in the year*** **2026**
