

Cedar Rapids Calibration Course

Cedar Rapids, IA

1000 foot

The south end is located at the north side of the crosswalk on 3rd St SE at the 8th Ave SE intersection. This is 24 inches south of the south edge of the manhole cover located on the west parking. There are 2 PK nails in the paving 9 ft east of the west curb. This is also marked with red paint to help locate the nails.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2024**
