

Lawrenceburg Levee Calibration Course—316.46 m—11/15/2013

Lawrenceburg, IN 47025 Greg@StuartRoadRacing.com Greg Stuart

Calibration course starts at east edge of expansion crack located at the east pole of the stairway structure and proceeds down the center of the levee walkway and ends in the middle of the first expansion crack west of the third light pole from the Mary St levee stairway. Going straight down the pathway leaves you 24" from the Ohio River edge of the east line.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2023**
