

Green Meadow Dr. Calibration Course—389.702514 m—12/12/2015

Brookville, IN 47012 Greg@StuartRoadRacing.com Greg Stuart

Calibration course starts at the North edge of driveway expansion crack at 9056 Green Meadow. End of course is the South edge of the driveway as it hits the curb at 9004 Green Meadow. The course is measure approximately 10 feet from the edge of the road to avoid parked cars. The road has a 1 meter raise going from north to south. This was the straightest, more level part of the 5K course and lies on the course and includes the 2 mile mark.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2025**
