Measurement date:
5 July 2014

← Coldstream Park

Aristides Blvd

Newton Pike

Calibration course is located in the bicycle lane on the south side of Aristides Blvd just west of Newton Pike at the entrance to Coldstream Park. The course was measured using a spring scale at 11 lbs. of tension and verified to be 10 full lengths of a 100 foot steel tape measure. The West mark is centered on the metal postal box as shown above. The East mark is located centerline of the stone column that's part of the entrance to the park. Both marks are marked using PK nails and washers approximately 12" off the curb.

Certification code: KY14006TY

Notice to Race Director: Use this Certification Code
in *all* public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year
