

Cottage Street 1,000-foot Calibration Course

Athol, MA

Point A is the stop sign at the corner of Cottage and School.

Point B is 18' 9" past the fire hydrant at the corner of Cottage and Hapgood.

Both points are marked with orange paint and large steel washers nailed to the pavement.

The course was measured by Kurt Staven on April 4, 2015. The map is not to scale.

Notice to Race Director: Use this Certification Code
in **all** public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2025**
