

Certification # MD16003NP

Effective Date: March 7, 2016 to
December 31, 2026

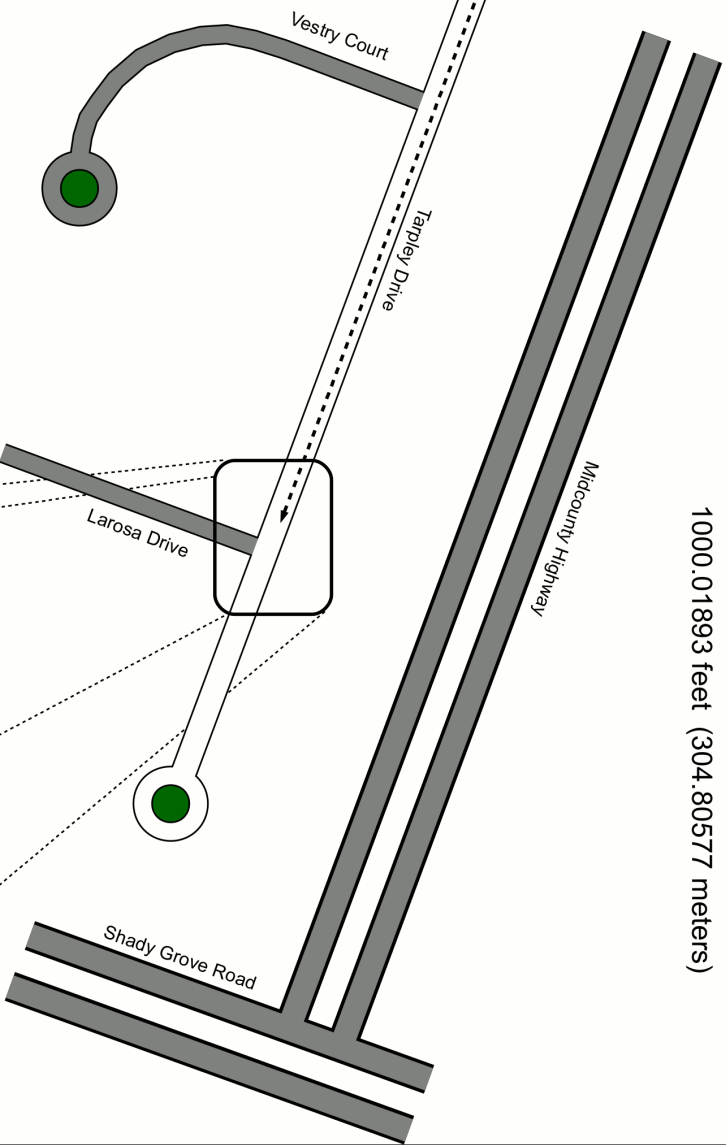

Shady Grove Calibration Course

Tarpley Drive, Rockville MD

1000.01893 feet (304.80577 meters)

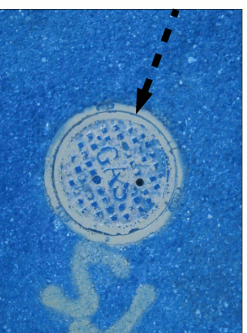

The western end of the course is marked with a Mag nail that is 5' 9" before the mailbox at 7625 Tarpley Drive, and 10' 7" from the northern curb of Tarpley Drive.

The eastern end of the course is marked by a yellow gas line access cover located in the pavement of Tarpley Drive just west of the intersection with Larosa Drive.

The access cover is 10' 7" from the northern curb of Tarpley Drive, and 13' 0" from the western curb of Larosa Drive.

The precise measuring point is the leftmost edge of the access cover (i. e. the seam between the cover and the frame). See the photograph to the left.

Notice to Race Director: Use this Certification Code
in **all** public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2026**
