

# Holt Avenue Calibration Course Manchester, New Hampshire

USATF Certificate NH15003BK  
Effective August 28, 2015 - December 31, 2025

The Holt Avenue Calibration Course is located on Holt Avenue in an industrial park area off of E. Industrial Park Drive on the east side of Manchester, NH.

Both ends are marked with a P-K Nail and White Paint.

**West northwest End** is 59 ft 6.5 inches ESE of the east side of the fire hydrant nearest the intersection of Holt Avenue and E. Industrial Park Dr.

**East southeast End** is centered on the fire hydrant between the southeast driveway of the Hitachi Cable America Company at 900 Holt Avenue and Utility Pole 6312/7 on same side.

Certification code: NH15003BK

Notice to Race Director: Use this Certification Code  
in *all* public announcements relating to your race.

***Be It Officially Noted That***

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

**Verification of Course** — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

***This certification expires on December 31 in the year 2025***
