Notice to Race Director: Use this Certification Code in *all* public announcements relating to your race.

***Be It Officially Noted That***

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

*Verification of Course* — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

***This certification expires on December 31 in the year*** **2023**

**Expected Traffic Control Points:**

Support will be required for the following crossings ►►►► (transitions) on the course:

- Old Mill Rd with a (left turn) onto Franklin Ave (between M2 and M3) – across intersection\*
- Ewing at Franklin Lake Road (M4) – crossing Franklin Lake Rd.
- High Mountain with a (left turn) onto Scioto Dr\* (between M5 and M6) – leading from UP before Scioto (crossing road) see map
- Freemans Ln with a (left turn) onto Franklin Lake Rd (between M8 and M9)
- Franklin Lakes Rd with a (right turn) onto Walder Drive\* leading from UP before Walder (crossing road) see map
- Woodfield Rd with a (left turn) onto McCoy Rd (just before M10)
- McCoy\* needs to be secured as you transition left to right and then right to left to exit.
- Exit McCoy on Colonial Road (against traffic)
- Colonial Road at Sunset Terrace\* (between M11 and M12)\*
- Franklin Ave at Pulis Ave\* (just before M12)\*

\* change to opposite side of the street

**Notes:**

Participants will proceed West to Pulis Ave (right) when leaving De Korte Dr then North to Old Mill Road (right) proceeding clockwise to Franklin Ave heading East (left) towards Ewing Ave (right). The course will follow Ewing Ave to the end then clockwise (right) Northwest on High Mountain Road before continuing on Scioto Dr (left). Numerous streets will interconnect Scioto Drive and Freemans Ln (including a Trail at the end of Seminole Ln) before interconnecting with Franklin Ave (left). A quick right onto Walder Drive then a series of residential streets until reconnected to McCoy Rd (left) and then Colonial Road (left) to Franklin Ave (right) to Old Mill Road (left) entering the trail just past the Franklin Lakes Tennis Courts. Follow path to end (where it intersects the Franklin Lakes Municipal Complex Field).

Course is closed to traffic on the residential roadways. Cones will be used on the major thoroughfares to segregate traffic. The course will adhere to the contour of the road on all major roadways. When encountering a broad shoulder the shortest distance through (ingress/egress) will be taken. True tangents will be used through all residential sections of the course.
