

Certified Course NY16022JJ

Effective: 8/14/2016
Through: 12/31/2026

Cleveland Avenue 1000 Hornell, NY

Course Distance:	304.8 meter calibration course
Date Measured:	August 13, 2016
Measured By:	Jeff John, and Susan Devlin BuffaloRunners.com

NOTES:

1000 Foot calibration course is located in Hornell NY on Cleveland Ave between Avondale Ave and Wells St.

The course is defined by stainless steel, magnetic survey nails. If the nails are gone then the course is void.

The nails are 2 feet from the west edge of Cleveland Ave and augmented by dark green paint. The paint will fade and may be gone in a few years.

The north terminus is at the south edge of Avondale Ave.

The south terminus is at the north edge of Wells St.

There is a gentle slope. The north end of the course is at 1178 feet of elevation

The south terminus is 1170 feet elev.

Measured via steel tape. Temp corrected. Segment ratio check confirmed ten 100 foot segments to make 1000 feet.

Notice to Race Director: Use this Certification Code
in **all** public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2026**
