

Entire course is on crushed limestone gravel.

End points are marked with nail with orange disk and washer.

Original markings required for valid use.

In event either original nails cannot be located, complete re-measurement necessary.

USATF Certified Course
ID# OH 14034 MW

Certification effective from 06/25/2014
to 12/31/2024

Road Running Technical Council
USA Track & Field
Measurement Certificate

recognized by

Certification code: *OH14034MW*

Notice to Race Director
Use this Certification Code in *all* public
Announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified. ***Verification of Course*** — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31, 2024.
