***Be It Officially Noted That***

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

**Verification of Course** — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification re-measurement may be required to be performed by a member of the Road Running Technical Council. If such a re-measurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

***This certification expires on December 31, 2024.***
