

Swazi 5 km Run

Bethany, OK

This 5,000 meter road course was measured on June 26, 2009 by Don Garrett who followed the guidelines of the Road Running Technical Council, USA TF. The measure line follows the shortest possible route (SPR) using the whole roadway. The Start and Finish are exact. The kilometer splits are approximate.

Number of measurements of entire course: 2 Date(s) when course measured: 26 June 2009
Race date: 10 October 2009 Course certification effective date: 08 July 2009
Replaces: _____ (if applicable) Certification code: OK-09054-DG

Notice to Race Director
Use this Certification Code in *all* public
announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a validation remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year 2019
