

Old Hickory 1000'

Calibration Course - South Nashville, TN

Nashville, TN

Calibration course begins at storm inlet on north side of Old Hickory Boulevard approximately 120 feet east of Sheraton Hotel driveway. Calibration course ends near end of stone wall on north side of Old Hickory Boulevard west of Health Park Drive. Beginning and ending points are marked with divots in concrete sidewalk, 1' from outside edge of sidewalk on the north side of Old Hickory Boulevard. All dimensions are measured from center of objects.

Measured by Jeff Hammond (hammondjeff@hotmail.com, 615-372-1527) and Harlan Hammond on September 5, 2019.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2029**
