

Galveston Island State Park Calibration Course
300 m - USATF Certification TX17146LAB - Galveston, TX
Effective December 2, 2017 to Dec 31, 2027
Measured by Dave Bary on November 13, 2017
Map not to Scale

START: On northwest side of Trails Road, find sign: ENVIRONMENTAL
← RECOVERY →
NO ACCESS

From the southwest (left) sign post measure 10 feet southeast, perpendicular to road and stopping on pavement 2.5 feet from north edge of pavement. This line has a bearing of N24W and locates the START of the Calibration Course.

FINISH: To relocate FINISH LINE look for sign on southeast side of Trails Road, about 300 meters southwest of START. It reads: NO MOTORIZED VEHICLES BEYOND THIS POINT. From this sign's southwest (right) sign post measure 27 feet 6 inches northwest and perpendicular to Trails Rd., stopping on the pavement 2.5 feet from north edge of the pavement. This line has a bearing of N24W. Now, from this point, measure 26 feet 2 inches southwest and parallel to the side of the road, 2.5 feet from its north edge. This point locates the FINISH of the Calibration Course.

in **all** public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2027**
