

**Suncoast Race for the Cure 5K
St. Petersburg, FL**

List of Measured Points

Map is not to scale. Points are marked with yellow paint and nails in the road.

Start – On 5th Ave NE, just west of where the road turns north at Vinoy Park, 87 feet 3 inches west of the first light pole west of the curve, 67 feet 10 inches east of the second light pole west of the curve, even with the fire hydrant on the north side of the road.

Mile 1 – On Bayshore Dr. SE, even with the center of the intersection with the driveway going into the airport.

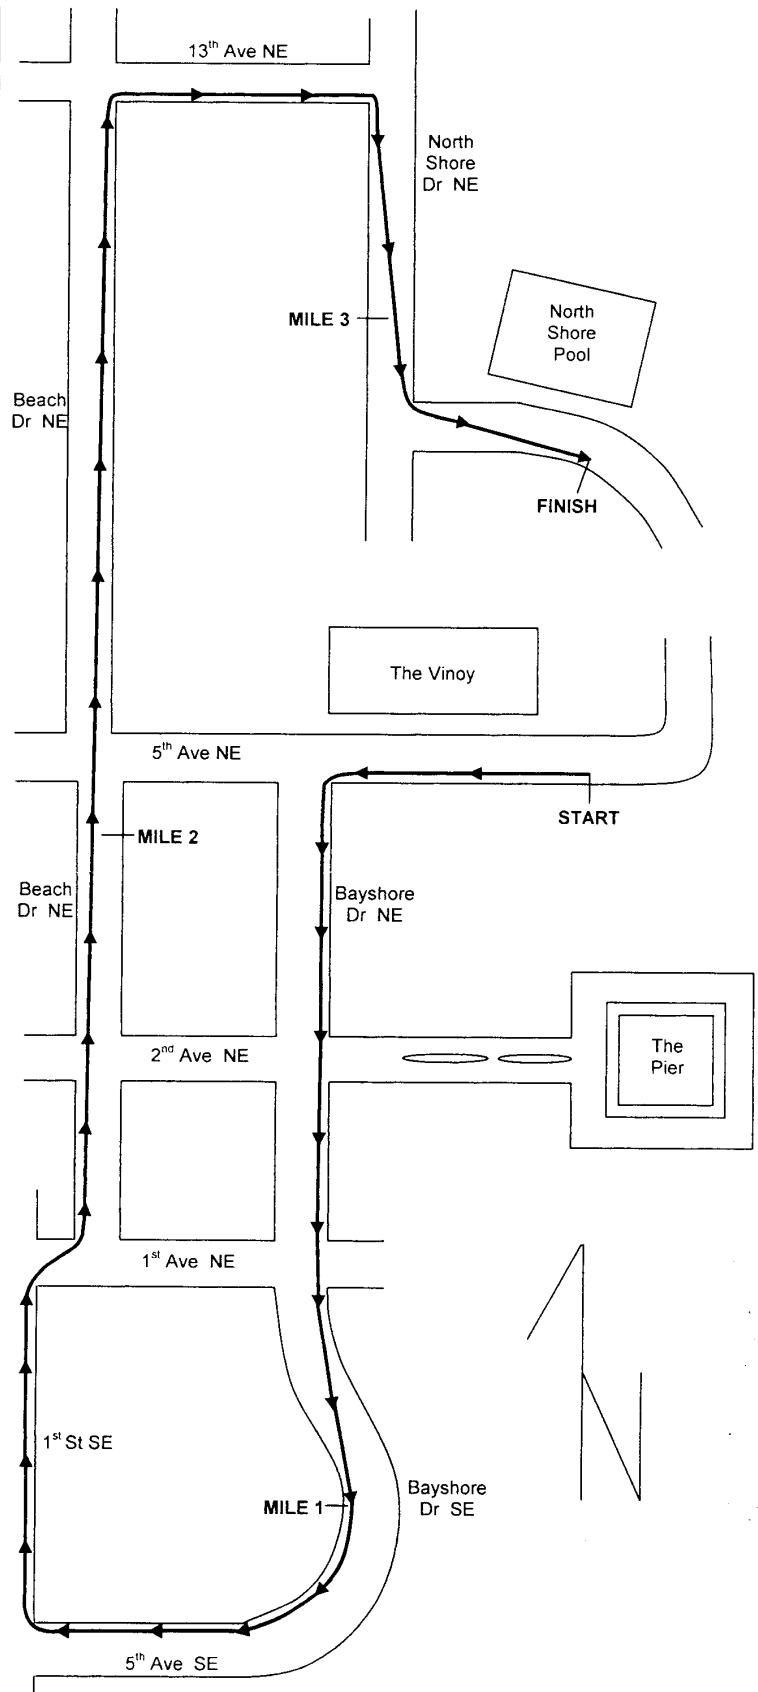

Mile 2 – On Beach Dr. NE, at the intersection with 4th Ave. NE, 20 feet north of the north edge of the crosswalk.

Mile 3 – On North Shore Dr. NE, 62 feet 4 inches south of the intersection with 10th Ave. NE.

Finish – On the driveway going into the parking lot just south of the North Shore Pool, 23 feet west of the east edge of the concrete wall that is on the south side of the North Shore Pool.

Notice to Race Director
Use this Certification Code in *all* public
announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a validation remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2019**
